I have some parts for sale.

Weld draglight fronts (5") with 165R radials. Dual 5 lug bolt pattern, screw in valve stems $50

DieHard marine deep cell battery $10

Milodon chrome chevy starter $10

Comp cams brake vacuum canister free

78-81 malibu front clip. Both fenders and header panel w/ grille rust free $60

78-81 malibu doors. Rust free, Crashbars removed and in primer. No windows or door panels $40

Southside machine upper control arms for putting an A body rear into a G body $50

Big block headers for a G body. Not sure on the brand (these are not the hooker supercomps and they do not have slip tubes). 2" primaries w/ evac tubes. Includes evac hoses. May fit an A body as well $35

Moroso front trick springs for a g body (part #: 47135) New in box $15

Intrax rear springs for A or G body. progressive rate, lowers rear approx 2" $15
