Track is hard packed, so it should be FAST! Over 400 yds of snow brought in for the starting line.

Tom Case, groomer operator extraordinaire, from South Shore Trailblazers worked his magic!! He had 10 wheelers out dumping snow between the fence and guardrail right on the sled track! This should prove to be some awesome racing! The weather looks perfect! Vince Musolino has been burning the candle at both ends getting sponsor money, making this one of the richest snow races around! Theres teams coming from quite a ways just to see if they can grab some of that cash!
