Would you prefer to spend the money and have lousy traction from all the cars bringing up mud? Or getting stuck in the pits? Trust me, its no benefit to NOT be open.

I'm on the side Of a hill, and my yard is STILL to the point I can't mow it without leaving furrows. Another week, and I should have some outstanding hay.

is that because it's wet or the weight of the mower with you on it ?

just kidding jeff
