

Test n Tune

Posted by gasser65 - 17 Aug 2013 16:38

attended my 1st drag race in 50 years last sat.,8/10. Nice place, seems well run, all of the hard work and effort show, you can be proud

And too, I was glad to come, nervous, excited, and ready to come again.

I'm interested in, when will there be another test n tune- as that will be my niche for awhile

But, I heard people talking, that there weren't going to be anymore tnt, as not enough cars

So, I'm guessing this has to do with money, more cars, more money, more people more money

I'm going to stick my neck out, how can we rectify this. Iam more than willing to help, if I could with this.

I'll knock off for now, but thank you for letting me in, thank you very much
