Sorry about the Special name attached to the race, Shootout does sound better I'll change it on our schedule here on the site. Thanks again for the support and to the others helping. It should be a good year for the "Street" gang.

Pete

Hey Mike, looking back at your first post it sounds as if you already have a plan for a particular sponsor. I read it fast and didn't catch it before I responded and posted the wrong phone # also. If I can help let me know. Bill 278-8983

I am still in for my funds if you want to add feel free. I would like some kinda flyer made. Was gonna hit up the town auto supply stores

Is the ET cap for the Affordable Carpet Street Shootout going to be 11.50 per standard street money rules or will it be opened up a bit?
