

DRAG Meeting Minutes - 5.5.14

Posted by Sunny - 06 May 2014 12:44

First DRAG meeting of the year - 2 months late, and still we haven't raced yet 😊

Treasurer's Report - \$625.95, with all bills paid. Nice to start the year in the black!

Big thank you to all the volunteers who have been showing up at the track to help get it ready for the season. Nice work!

Pete went over a couple changes for the year, including the run order (Street Trophy will switch with Bike/Sled Trophy, which will allow a bit more time for the Street racers to show up at the track). Also, there will be a new Youth class - kids 13-17 can race a street car with a parent in the car.

Discussion regarding the new Pro and Super time limits - see earlier posts on this site.

Chances of racing this weekend? Possible - end of the track is still under water, so it depends on how much rain we get this week. Most likely will be 1/8 mile if we do run.

Special notice of a special event in July - NHRA will be on site to highligh and televise (nationally!)the track. That will also be the Boob Race day.

Mention made that we need to start thinking about Bracket Finals - food, Captain, cheerleading, etc. Start thinking of people who might like to help out!

Elections - slate of officers from last year was re-elected for this year. Theo Lewis, Pres., April Martin, VP, Dick Garbus, Treasurer, and Kathy Barling, Sect. (she said Yes!)

Next meeting is June 2, Union Hotel

Hope to see you there! (and hope to see you at the track before then 😊)

Sunny
