

1994 Camaro Z28 (Street Strip Car)

Posted by ptduffer04 - 02 Aug 2012 19:37

Hi, I am Pete Duffer, Rich Duffer's son. I have a 1994 Red Camaro Z28 for sale. It is a street strip car with the following modifications: long tube headers, off road y pipe, flow master cat back exhaust, modified air intake with K&N filter. It has 255 60 15 rear tires and 165 R15 front tires on JEGS star wheels. Also has head and tail light covers with aftermarket stereo. I ran the car last year at Esta running around 13.60 to 13.70. I am asking \$4500 obo. My number is 315-408-1542. I also have two 255 50 16 ET Street Radials on '93 to '02 Z28 wheels. They have less then 10 passes on them. If you would like the tires and rims with the car, I am asking \$5000. If you are interested in tires and rimes alone, I will sell them for \$550.

No, the car is still for sale. Sorry about the late response, I have been really busy lately.

The 94 Camaro that is for sale will be at the track for the test and tune on Saturday August 18, 2012 for anyone who is interested. I know a lot of you have been interested in the car but have been unable to come to Lowville to take a look. I have finally been able to get a hold of a trailer to bring it down. Again the price of the car is \$4500 if you want the street radials with it the price is \$5000.

I heard many of you were asking dad about my 94 Camaro I have for sale. It will back to the track on Sunday, August 26th for the Girls Gone Racing day.
