

Manley Tit valves

Posted by fd1332 - 23 Nov 2011 08:24

I have a set of 16 manley tit valves that have been used for 1 season the intakes are 2.400 Dia and 6.600 length and the exhaust are 1.880 dia and 6.450 length these were ran in a big duke/big cheif style motor 850 or best offer takes them the are regular 110 per valve 315 254 8408
