

abruzzo 9 inch converter

Posted by td1332 - 07 Dec 2011 21:09

I have a Abruzzo 9 money maker torque converter, bought brand new in the beginning of 2009 and ran the converter all year long in a dragster went best of 7.24 and went on to win the Div 1 IHRA Top dragster points. Converter stalls @ 6200 with 1040 hp. I only ran the converter in 2009 sent back to be freshen and has not even been taken out of the box from abruzzo since freshened. Would like to get 500 plus shipping 3152548408
