I have so many really good parts here and I need to start making some room in the shop

-Multiple BBC roller cams and multiple cam cards so call with your needs and I will see if I have anything close 125 each

- Manley nextec valve springs with 90-100 passes on them part number 221448-16 looking for 150 or BO

-Crower BBC offset lifters part # 66293-16 these also have 90-100 passes looking to get 150 or BO

-2 sets of Comp cams 948 valve springs they have between 100-125 passes on each 100 or BO

-Tilton starter for hi hp BBC chevy motors 150 or Bo

- Speedtech nitrous plate for under a dominator the is the newer style plate with the shower head style not the bar style available with or without a nitrous bottle. 400 with bottle or 300 without bottle
