

wanted small block chevy heads

Posted by 9secduster - 26 Jul 2013 13:34

looking for a used set of heads,can be cast or alum. going on a 400,

basic heads like world products etc

thanks,howard

I have a set of Dart Iron Eagle 200's with 64 cc chambers -

they have been machined for the 400 steam holes - clean and

ready to run - \$750 obo Matt 607-237-4316
