I have a complete 64-72 chevelle suspension with about 500 miles on it

front

upper & lower stock control arms with new bushings & ball joints (500 miles ago)

complete disc brake set up with classic performance products 2 inch lowering spindles & stainless brake hoses

inner & outer tie rod ends with adj. sleeves

center drag link & idler arm

2 inch lowering springs

KYB gas shocks

over sized sway bar I think its 1-1/4

dual port master cylinder with proportioning valve

Rear

south side machine boxed upper & lower trailing arms

1 inch lowering springs

KYB gas shocks

1 inch sway bar

its all aftermarket parts except the front control arms those are original I have over 2000 invested looking to get 1200 or best offer call or text 315 857 3514

im having trouble putting the pics on here but they r on my phone I can send them 2 u
