

BB MOPAR BLOCKS

Posted by ten5abody - 10 Jul 2011 07:09

I have a USED Bob Henry 440 block, I believe it's .030" over. I bought it used years ago and never used it myself. Needs freshening. Bare block and caps \$300

400 bare block and caps, std. bore, hot tanked and magged, no cracks. It will need a sleeve do to rust pitting \$200
