I have posted the &quot;Tentative&quot; 2013 schedule under the schedule tab on the site. There still will be a few additions pending sponsor deals.

Affordable Carpet was going to sponsor an event this year but our engine is costing more than expected <sup>Ⓜ</sup>.

I am gonna see what the final toll is. What is the deadline?

I will have the flyers done in approx. 1 month so if you would like to be listed on that I'll probably need to know in a few weeks. If that does not matter you can contact me when you want to and I'll make sure that we get it listed on the online schedule and give you the sponsor plugs at the track as well.

Thanks,

Pete
