

2015 Bracket Finals

Posted by Rdrbn - 18 Jan 2014 17:02

The bracket finals for 2015 will be held at ATCO RACEWAY.

The dates for this year are September 17th for parking only 18th 19th with a rain date if needed the 20th.

We will only be taking 32 total vehicles with the minimums as follows:

Super-----7

Pro-----7

Street-----1

Bike/Sled---1

High School--1

with 16 floaters to put where they are needed.

Remember that floaters ARE a part of the TEAM...32 vehicles all run for points,ROC also count for team points.

If we take alternates they are not part of any team, and do not earn points.
