Mike, thanks so much for your support of our racing programs at ESTA it is very much appreciated.

Also Street Class racers there will be a special race on our opening point's day May 4th. The winner of the Street Money Class will be going to the NHRA Toyota Nationals at Englishtown NJ. Where you will race on Sunday in a special NHRA Street Legal Class against other Street winners from the other Div. 1 tracks. This is a really cool deal that the D1 track operators came up with, I'll have more info on this race soon.

Pete
