

1st Annual Esta Snow drags

Posted by td1332 - 06 Dec 2012 14:55

On Sunday Feb 10th ESTA Safety Park is working with Dave Meneely and Blackjack Racing Organization to hold the 1st ever snow drags at ESTA Safety park. This facility will be one of the best places for fans and racers with the layout of the race.

We are going to have 2 lanes wide 500 ft race track with 900 ft of shutdown. We will be following all ISR Hill drag rules and all sleds MUST have a working tether switch to race. We are going to run a complete program which will include 120,juniors,500,600,700,800,1000 stock and 500,600,700,800,1000 imp and 120,500,600,700,800,1000 Pro Mod and 440-600 sno pro stock and mod and 700-1000 Sno pro stock and mod and 4 stroke turbo class as well as the run what you brung classes.

All classes will be 100% as normal with the exception of the premier classes being Open Stock, 800 Imp, 1000 imp, 800 Pro Mod, Dan Cerio Memorial 1000 Pro mod and Run what ya brung.

These class here I am trying to find class sponsors for and would like the purse to be \$1000 before any entry fees payout are added to it. We are working hard to make this the biggest race in NY any questions or concerns or interested sponsors can contact myself (Vince Musolino) at 315 254-8408 or Jeff Parker 315 374-0476 or Dave Meneely 315 945-1968

1st dumb question.....

will this actually be run on the track itself??IE:timing system etc.?
