

Advertsing Opportunities!

Posted by Jeff Parker - 13 Mar 2013 13:13

OK, while everyone is checking the dates on their belts, adjusting their valves, etc., remember that race season is coming fast!

The new concrete work is just waiting for Mother Nature to close the freezer door so we can start. We need to think about how it will effect each one of us. New concrete means new people showing up, and people who werent happy with the old tattered startingline coming back. That means more people wanting reserved pit spaces and wanting advertising spaces. **Its first come first served after April 14th.**

The Backboard spaces are \$300., you provide your 8'x 4' sign on Coroplast (inexpensive plastic cardboard used by Sign shops)

Guardrail spaces are \$300 you provide (2) 8'x 2' signs on Coroplast (The sooner you pay, the better spot on the guardrail for pictures!)

The Winners Circle is \$2,000.00. Remember that your name will appear in National publications. If interested, please see me or email me at Shockdocracing@yahoo.com
