We will be opening on Sat. May 25th with a time trial day and will follow that on Sunday May 26th with a no points regular event for all of our weekly classes. We will be closed on Sun. June 2nd but will be back on Sat. June 8th with another time trial day and start our Summit E.T. Points series on Sunday June 9th. Thanks in advance for being patient during our construction project and we'll see you in a few weeks.

I would like to know what time the saturday test and tune ends? Being the first of the year are you gonna stay open later than 4? Thanks.

If there is still enough interest after 4 we can stay a bit longer. Usually around 4 it slows down.
