Well we ended up losing out to the rain this afternoon at around 2:45 or so. We were close to getting the first round in but fell short so next week we will try again. June 30th will feature the Pro MX Showdown as well as the Street Showdown. All you need to re enter will be your wristbands from today. We were able to complete the Jr. Dragster final where Shannon Harrison defeated Ron Klein Jr. Shannon was dialed in at 7.92 and Ron was in at 7.98, Ron lit the red light in his new dragster handing the win to Shannon. Jake Lipke and Paige DeSalvo were the semifinalists. Take care and we'll see you next week.

Pete
