Sorry never got on the web again until tonight. (Sat.) We did make 1/4 mile and hopefully will do so tomorrow. The 14 plus hour work days got to me last night and I fell asleep, and by the way it's now 9:10 and I just got back home from getting the track turned around and ready for tomorrow.

Pete

AWSUM and efficient job today getting the race in , actualy in a convienant time frame , good job !
thanks 🙏
how , can you turn the heat down a little lol 😊
