

Aug. events

Posted by estapete - 04 Aug 2013 20:38

Next week Aug. 10 we are scheduling a time trial day for Saturday. Gates open at 9 with time trials starting at 10am and running until around 4pm. Also next Sunday's race Aug. 11 will be a non points race for all of our weekly classes.

On Aug. 18th we will be hosting the Summit Racing Jr. Dragster Challenge where it will be "Wally" Day for the Jr. competitors. If time permits we will also run a crew chief race where the kids will tune and dial the cars while the parent or crew person drives. Also the rescheduled 4th Annual Susan G. Komen Charity race will be held on this day as well as a Summit E.T. points race for all of our weekly classes.

Sunday Aug. 25 will be a Summit E.T. points race and the last day to earn points to qualify for the Div. 1 Bracket Finals Team. Also the popular "Girls Gone Racing at ESTA" event will be run on this day.

Let's hope for some sunny weather to try and salvage what has been a very difficult season.

Pete
