How about Sept. 7th & 8th? The 8th is NYS Championships / ND Challenge, it would make a great weekend of racing if we decide to do it. Also if we make the Championship race 2x points it would be a triple points weekend. Any thoughts?

I am not going to do the Sept. 7th race. It will be a busy enough day on Sunday and I will use Saturday to get the place in tip top shape. Maybe another Saturday later on.
