

Dick Aversa record

Posted by estapete - 14 Oct 2013 22:16

Congrat's to Dick Aversa for setting the record for All Motor / AWD Truck. He drove his Trailblazer SS to a stout 11.891 at 113.68 mph pass on Saturday. Great job Dick, glad to see all the work you put into your truck has worked out.

Pete

Thanks for posting Pete!

the old National record was 11.93
