

Another Sad day for the racing family!

Posted by Rdrbn - 18 Dec 2013 07:23

It is with a very heavy heart that I am typing this....My best friend of 30 years was killed yesterday in a car accident on rte 298 on her way from work.

Artania Seward Crouse age 55 was killed when her car slid into on coming traffic, she was pronouced dead at the scene.

Tania drove the pick up truck #80 along with her husband Bob Crouse #1190....

Her son Doral Short my prayers are with you and your family. If you need me Doral, don't hesitate to call me.. Doral runs his car in street money, and Artania's grand daughter Jazmine runs in the Junior Dragster program.

Bubbles as my mom and I liked to call her...always had a smile on her face, and not a mean bone in her body..If you needed anything at the track she was there. Helped me out numerous times, from selling 50/50 to cleaning out the refreshment stands, she always help with every car show that ESTA participated in....Her and I have had lots of fun (mostly getting into mischief) over the years, birthdays and the car show and Halloween with never be the same.

RIP my dear dear friend...say hello to everyone in heaven for me....

I will post when all the arrangements have been made.
