Hello everyone this is Bob Crouse (aka ratso) I would like to thank everyone for their heartfelt thoughts and prayers though this difficult time. Tania loved everyone at the track and the sport of drag racing. She loved Schumaker and Force...she was so proud of getting her license to go 9.99 and the people who helped her achieve her goal. She loved to watch her grand daughter Jazime race in the junior dragster program, she was grooming her to become another wonderful driver. I loved her with all of my heart, she will always be with me. Tania spirit will always and forever be at the track watching over everyone. Again thank you everyone for your support....Ratso

Services are scheduled for December 28th at Hopp's Memorial Church at 1110 S. State street in syracuse,

calling hours and service will be at the church....calling hours start at 10 with services to follow. If anyone wishes to speak about Artania they may do so so at the calling hours.
