

1994 Z28 Camaro (Street-Strip Car)

Posted by ptduffer04 - 05 Oct 2012 21:48

I have a 1994 Red Camaro Z28 for sale. It is a street strip car with the following modifications: long tube headers, off road y pipe, flow master cat back exhaust, modified air intake with K&N filter. It has 255 60 15 rear tires and 165 R15 front tires on JEGS star wheels. Also has head and tail light covers with aftermarket stereo. I ran the car last year at Esta running around 13.60 to 13.70. I was asking \$4500 obo. I am now asking \$3800 obo, as I would really like to sell it before winter, since I do not have room in my garage. My number is 315-408-1542. My name is Pete Duffer and the car is located in Lowville.
