

1969 K/SA Chevelle wagon

Posted by tummy - 26 Oct 2013 09:43

This is A complete legal turnkey car. Boucher 350 engine with 35 passes, new Turbo 350, 12 bolt spool, and axles 5.13 gears. The car could use updating, but still ran 12.30's last time out. To many different class cars. \$7000 315 886-9887

=====

Too many cars, no room. I am dropping the price to \$6000 FIRM till the add runs out. Then I'll store it till Spring. This is A turnkey LEGAL stocker that runs 2to4 tenths under it's index.
