

WTB: 1 3/4" SBC HEADERS

I'm looking for a used set of 1 3/4" headers for an SBC in a 67-69 Camaro with angle plug heads. 68-72 Nova headers should be the same.

How about some BBC Camaro headers instead? Do it, you know you want to 😊

If I was starting from scratch I might 😊
I can get 3 sets of BBC headers right now. You think I can find a set for an SBC?! 😊
