

blocks, heads and assorted stuff

Posted by low buck - 18 Feb 2012 23:42

i have atleast 10 or 15 small blocks that need to go. mostly 350s i saw a couple 400s. these are all stock blocks. i got a shelf double stacked with virgin camelbacks and assorted stock steel heads. also have powerglide cases and buckets of pumps and hard parts. also have oil pans front covers and assorted moroso valve covers. the valve covers are all aluminum. i must stress all this stuff is stock. also have 5 holley 2 barrel racing carbs. 3 done by baker, 1 barry grant, 1 avanti. no they are not legal, but neither is anybody elses. also have a magneto if anybody is interested. that is all.
