

practice trees and titanium retainers

Posted by tracman466 - 23 Oct 2012 10:00

I am listing a Biando practice tree for a friend it has a lot of extras with it and is like new! more details and pic to follow.

Also new in package 2 sets of titanium retainers one for Beehive springs and a set for dual springs..never opened !

parts numbers posted soon too...

give me a call 315 724-6904 in mornings or after 6pm

1) Manley titanium number 23622-16 standard installed for 221428 springs

2) Manley titanium number 22623-16 +.050 installed height use locks number13098 for 221436 springs.

just looking to clear them out and put the money to other parts!

Thanks for any help!
