

15x12 double beadlocks

Posted by fordman4fun - 01 Jun 2013 06:20

I have a pair of 15x12 weld alumistar double beadlocks, they are 5x4.5 bolt pattern with 3.5" of backspace, these wheels have only had tires put on for fitment, changing plans, \$1100 for the set, slicks not included, 315-412-8517
