I have a 540 ci Race Engine for sale. It was completely freshened and hasn't been run since. The engine has 14.1 Wiseco Pistons, callies crank, Eagle Rods w/L-19 bolts, Merlin block, Dart Pro-1 heads and intake. Call me at 593-6310 with any questions M-F 9 AM to 5 PM. Selling because we have no time to race or put in our vehicle. Email with cash offers and trades.
